Prague, May 24-26, 2011

Abstract

In this document we describe the guidelines for the papers which will be published in the INFORUM 2011 online proceedings.

To type the paper, use the processors MS WORD or Adobe Acrobat. Paper must be 3 pages in length at least, optimal 4-8 pages, but the paper extent is not limited.

The font size and the size of headings, etc. depends on you. All text should be produced as a single column, single line spacing.

The first page of your paper must contain: the title of the paper, the authors names, affiliations, state, country and e-mail addresses, the name of the conference and the abstract, as shown in this document.

Please check English grammar and spelling carefully before submitting your paper. Please save your file as **Lastname_firstname.doc** or **Last name_firstname.pdf**.

Papers are preferred to be submitted as email attachments sent to Andrea Kutnarova at andrea.kutnarova@aip.cz by **May 2, 2011**. Earlier submission would be appreciated. Papers submitted after this date will not be posted on Inforum website until after the conference. If your file is bigger than 1MB memory, compress it into ZIP or RAR format.

If you can not submit an electronic file, you can save it on a CD-ROM/DVD-ROM medium and bring it or mail it to the address:
