Best Poster Presentation
(Only 6 posters with the highest score are listed)

- Kaliko - Liberec Libraries Catalog
- Effective Information Distribution to Selected Groups of Patrons
- How to Use Methods of Data Mining in a Library: Example of University Library of Silesian University
- Young People and Reading: Interpretation of Research Reading of Young People Aged 13 to 19 Years in Slovakia
- Addressed Information to Scientists and Researchers Through Selective Dissemination of Information (SDI)
- Electronic Information Resources for Scientific and Academic Research at the Silesian University in Opava

Only textual responses from English speaking participants are listed below.

What were you pleased most by?

- Good invited speakers and excellent organisation
- Food :)
- Everything was great!
- Interesting, up-to-date topics.
- Workshop

What made you upset and what do you think should be avoided?

- I think that it could be more international - with speakers from more different countries
- Trouble connecting to the wifi + slow connection
- Everything was ok

Papers (topics) & speakers suggestions for the next year

- Steven Harnad - Open Access
- George Needham, OCLC - George is a dynamic speaker and presents on a variety of topics with humour. George is an avid blogger and can easily speak to developments in social networking, gaming and other online activities, as well as general trends in librarianship.
- Jan Hutar
- Greg Notess and Tim Buckley Owen
