## Editors' Picks

- [Automotive Online](#)
- [Ward's Auto](#)
- [Autofacts](#)

by Bouriana Zakharieva, Alacra Web Editor

There is an overwhelming amount of information online about the automotive industry and a great deal of it is either consumer-oriented or targeted to members of trade associations from various automobile niche markets. Here are some of the most comprehensive and valuable research resources:

[Ward's Auto](#) is a comprehensive portal devoted to the U.S. auto industry, which includes **industry updates, news and analysis, a supplier survey, an automaker directory, industry statistics, information on new products and vehicles, and auto reports.** [Automotive Digest](#) is another well organized portal covering different aspects of the industry (e.g. - aftermarket, energy, legislative, environmental issues, and vehicle safety), which offers news, **directories of manufacturers and dealers, statistical data, market research, and industry press releases.**

[Auto News](#) and [Europe Auto News](#) provide **current industry news for US and Europe**, as well as industry statistics sales and production data, directories of manufacturers, distributors and suppliers. For the best news source, do not hesitate to go to [Automotive Online](#) -- one of the top auto industry portals offering really **global news and market information** by geographic area and country. [Auto.com](#) is a daily online newsletter, which provides industry news, car reviews and information on car shows, as well as access to Reuters' Auto News Wire. [Automotive Industry News](#) is a news aggregator searchable by geographic region and country.

The **aftermarket industry** is covered by the following trade publications and trade association sites: [Aftermarket News](#) (registration required); [Restyling Magazine](#) dedicated to the automotive accessory industry; the [Automotive Aftermarket Industry Association](#), which offers free and paid research reports and industry trends information; the [Automotive Body Parts Association](#), and the [Motor and Equipment Manufacturers Association](#). [Auto, Inc](#) is the representative monthly publication of the Auto Service Association featuring **management, technical and legislative articles** for car repair businesses. [Underhood Service](#) is a monthly trade publication geared towards the automotive and light truck repair shops with a focus on **electronics, cooling systems, emissions controls, ignitions, and other under-the-hood systems.** [ImportCar Magazine](#) is dedicated to the service market of import cars. [Automotive Body Repair News](#) is a monthly trade publication serving the independent and franchised automobile collision repair industry. [Autobody Online](#) is **a portal for the autobody specialist**, which provides collision industry news and real time automotive news and regulatory documents. [Bodyshop Business](#) offers an annual Collision Repair Industry Profile and repair industry statistics. [Automotive Rebuilder](#) is a monthly trade magazine serving the automotive and **heavy-duty engine rebuilding industry.** The car care industry is covered by [Professional Carwashing and Detailing](#) and [Modern Care Care](#).

Two popular publications are the [Automobile Magazine](#), which offers industry news, **car reviews and a buyer's guide** and [MotorTrend](#). [Auto Channel](#) provides industry news and consumer surveys. [The Car Connection](#) is another weekly for car news and reviews published by the Ford Company.
