## New Functionality

### MARC 21 Records for all OnlineBooks

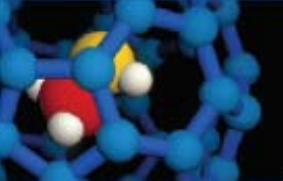

- You will receive e-mail notification once your order is processed and receive MARC records in .mrc or .txt formats.
- MARC records can also be collected from the *Services for Librarians Page*

# New Functionality

## Citation Tracking

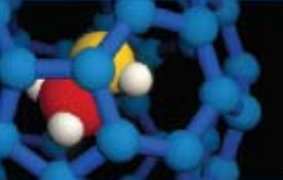

- Citation Tracking provides links to content that cites the article, enabling researchers to find more recent articles related to the same subject.
- Partnership with CrossRef
- Users must have a license to view Wiley InterScience full-text articles.

# New Functionality

## Citation Download

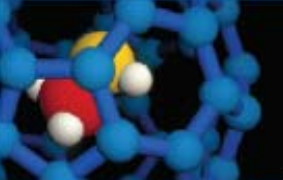

- allows any visitor to download citations and abstracts for journal articles and book summaries.
- A user may select this functionality from the search results and/or the abstract view page. Supported by:
  - EndNote
  - Reference Manager
  - ProCite
