- A close-up photograph of a computer monitor displaying a search results page from the ProQuest Direct website. The screen shows a search bar at the top with the placeholder "Search by Word". Below the search bar, there is a message: "Search First [25] results. View your History or Options." A large orange banner across the middle of the screen says "ProQuest Direct found a large number of documents" and "Jump to narrow your search." Below this, the results are listed in a table with columns for "Title", "Author", "Journal", "Date", and "Source". The first few results include titles like "Promised land for... Journal", "Richard C.", "Forbes", "The Economist", and "Europe's...". The background of the image is dark, making the bright screen of the monitor stand out.

ANSWERS TO YOUR QUESTION

A vertical photograph of a tree silhouette against a warm, golden sunset. The sun is low on the horizon, casting a long shadow of the tree onto a surface below. The sky is filled with soft, orange and yellow hues. The overall atmosphere is peaceful and suggests a time of day when answers are sought and found.
