Oxford Online: who are we?

• Oxford University Press (OUP) has its origins in the information technology revolution of late 15th century. First book was printed in Oxford in 1478

• Oxford Online is a department of OUP

• Part of the University of Oxford, it furthers the University's objective of "*excellence in research, scholarship, and education by publishing worldwide*"

• OUP publishes 4,600+ new books each year

• Also is a major provider of online information to libraries and individuals worldwide. First online resource to be published online was OED in 2000

• Currently 22+ products online
Oxford Online: how we work

• We license institutional subscriptions to libraries worldwide directly OR through consortia agreements OR via agents

• We sell perpetual access to e-books collections (***Oxford Scholarship Online***) and e-encyclopedia titles (***Oxford Digital Reference Shelf***)

• We have flexible pricing models to suit consortia of any size as well as individual institutions

• We set up free trials by IP address/referring URL/username&password for a period of time that suits the library, with no obligation of subscription/purchase afterwards

• We help you promote your library with promotional materials and training

Charlotte Sophia von Aldenburg, countess of Bentinck to Wilhelmina Maria von Hesse-Homburg, countess of Aldenburg

2 June 1761 [Gregorian]

[a letter, in Voltaire (VF)]

Radaun le 2 juin 1761

Je n'auray l'honneur de vous Ecrire que quelque peu de mots aujourd'huy, ma très chère mère, puisque demain vous aurez 4 pages de ma façon par une autre route. Celle Cy n'est que pour vous dire que le *25. May* j'ay Eu Celuy de vous Ecrire une grande Epitre de 10 pages qui répond à toutes vos questions et récapitule toutes les Choses que je vous avois marquées et qui ne vous sont pas parvenues. Cette lettre que j'espère avoir Envoyée par une voye sûre vous aura été remise j'espère, et j'en attends l'avis avec impatience.

Pour aujourd'huy je ne veux que vous envoyer la très jolie Réponce que Mr. de Voltaire vient de faire au Logogriphe de la p^sse de Trautson dont il estoit le mot. Je la répète ici puisque vous pourriez l'avoir égarée affin que l'idée s'en rapelle à votre Esprit et vous fasse sentir l'agrément de la réponce. Je Crois que cela amusera le C^t de Linar et m^e de Reventlau. Tout le monde ici l'a trouvé Charmant, et a jugé que la Princesse par sa très jolie Enigme a bien mérité cette agréable et galante réponce.

> Logogriphe de la p^sse de Trautson
> Quel est cet objet qui s'élance?
> Qui par son *vol* audacieux
> Trainant après luy le silence
> Captive l'esprit et les yeux?
> Qui peint les vertus et les vices
> Par d'innefaçables Couleurs?
> Qui de la source *des Délices*
> Les fait germer dans touts les Coeurs?
> Des Dieux il parle le langage,
> De l'homme il Eclaire l'esprit!
> Pourquoi faut il que Ce vray Sage
> Plus d'une fois En ait trop dit?
>
> Réponce de Mr. de Voltaire à l'illustre dame
> qui me soubçonne d'en avoir trop dit
> Je n'ay pas L'honneur d'être sage,
> Mes Ecrits sont peu Compassez,
